CHRISTMAS IS NOT YOUR BIRTHDAY, ANYWAY!

Advent is the beginning of the church year, when we spend four weeks waiting for the birth of Christ into our world and our lives...again! But our culture tells us that Christmas is the time to go out and get stuff for each other, whether we need stuff or not. This year our four weeks of waiting will invite us into a time of remembering that Christmas is not our birthday and, so, it is not all about us. We will be invited into considering a downsizing of our Christmases so that we can give gifts to folks who would be of particular interest to Jesus: those living on the margins. Come and hear more about it beginning on the First Sunday of Advent, December 2.

BLUE CHRISTMAS

- Sunday December 16 ~ 6:00pm ~ Sanctuary

Presented by Chapel Hill's Stephen Ministry
Blue? Yes, blue as in the blues. As in "I am feeling blue." Not everyone is up and cheery for the Christmas holidays. Dealing with the death of a loved one, facing life after divorce or separation, coping with the loss of a job, living with cancer or some other diagnosis that puts a question mark over the future, and a number of other human situations that make parties and joviality painful for many people in our congregation and communities. This Blue Christmas service is a time to gather in community for reflection, and holding out healing and hope.

SMALL GROUP SPOTLIGHT

SACRED SPACE DESIGN TEAM

This week's spotlight is the Sacred Space Design team. This small group decorates and designs the worship spaces like the altar, the sanctuary, the chapel, and the lobby. The Sacred Space Design team uses Pastor Barry's themes, and the scriptures to help them decorate and design in such a way that people can connect to the message using colors, fabrics, and art in a visual way. This team has a lot of fun connecting with each other as well!

"I love the weekly time in the sanctuary to just enjoy the space. Sunday is such a busy church day sometimes, that to have this extra time to reflect and help plan a part of worship is so fulfilling. I love connecting with this group, it is supportive, and inspiring!" Tonya Boot

"I enjoy working with Sacred Space because it allows me to connect the Scripture and theme through visual imagery. I enjoy the contemplative time in reading scripture and brain storming with the team on how to represent the themes. Working together with the team is a fun hour of fellowship and being creative. It is also good to hear feedback from our church family on how they view and connect with the space we created. There are times where we get started with a rough idea and what we finish is truly spiritual and I am humbled and reminded that I am an instrument of God and He is present in this space always." Meredith Kerr

"I enjoy my time in the sacred space small group because of the lovely folks and the opportunity to be in connection with the more in-depth concepts of the weekly message. There are many types of learning styles and I enjoy the creativity and the challenge to bring concepts to a visible place. Working with sacred space offers more opportunity to explore how the message connects to each other and our daily lives." Jenn Luitje

Sacred Space Design Team meets every Monday night from 6:30-8:30pm...New people are welcome to join! Questions? Contact Meredith Kerr at mmkerr@parker.com.
