8th Sunday After Pentecost

WELCOME TO PORTAGE CHAPEL HILL

If one part suffers,
all the parts suffer with it;
if one part gets the glory,
all the parts celebrate with it.
You are the body of Christ
and parts of each other.

Introduction to Systemic Racism

- August 12-13
- September 23-24
- October 21-22

Dismantling racism has become a focus this year for Portage Chapel Hill's Faith In Action Team. FIAT invites all who are interested to participate in an Introduction to Systemic Racism Workshop put on by ERACCE (Eliminating Racism & Creating/Celebrating Equality). ERACCE workshops are designed to reveal how systemic racism plays a role, in often unseen ways, in the creation and maintenance of barriers to authentic and accountable multi-cultural diversity and racial justice.

The workshops are being offered online, and each workshop lasts from 1 p.m.—4 p.m. both days. To register please go to eracce.org/event-calendar. Cost for the workshop is \$150 but *Portage Chapel Hill will cover the cost of registration for all*. Register for the workshop you wish to attend, then email your payment receipt to office@pchum.org for reimbursement. Contact FIAT Chairperson Richard Derenne at richard.derenne@stryker.com, or the church office, if you have any questions.

Virtual VBS — One More Week!

There is one more week for families to participate in Chapel Hill's Virtual Vacation Bible School. This activity is intended for kids ages 3 to 12. Director of Children's Ministries Andrea Trantham is putting together fun activity packs for each child. Pick up your packet from church after 10 a.m. Wednesday. Inside you will find a story, craft, and access to videos. The theme this year is **Mission: Deep Sea**. Go to pchum.org/vbs to register.

Be sure to invite your friends to join you for **Mission: Deep Sea!**

Summer Book Study

Chapel Hill's summer book study is *Tears We Cannot Stop: A Sermon to White America* by Michael Eric Dyson. This book has been chosen to bring awareness to systemic racism. *Tears We Cannot Stop* is an emotional read. It will take you through a long list of emotions; you will be required to feel something. Please be prepared, the language can be strong at times, harsh, profane, but is necessary to convey the message of the sermon.

Portage Chapel Hill Church supports keeping resources and dollars in the community, so people are encouraged to purchase the book at a local bookstore. If you have any trouble with that, or if cost of the book is of concern, please contact the office at office@pchum.org.

There is no set time frame for this book study; the study will not coincide with a sermon series and not all groups need to study this book at the same time. This book study is for you to have a starting point in dismantling racism, a safe place to ask your questions, and you may find the answers come in the form of more questions. Chapel Hill is honored to help you, and to be part of dismantling racism. To find out more about small groups contact Tonya Boot at tonyaboot@pchum.org.

Portage Kids Peaceful Protests

- Noon—1 p.m. daily
- Corner of Westnedge Ave. and Centre Ave., Portage

This group is for children, families, and friends of any age in the Portage area who support and wish to be allies for the Black Lives Matter Community. Language should be clean and all responses respectful. You can find the group on Facebook by going to [facebook.com](https://www.facebook.com) and searching for "Portage Kids Peaceful Protests."

New Portage Chapel Hill Logo

On Sunday, July 12, a new Portage Chapel Hill Church logo was revealed. The new logo conveys the church's mission, vision, values, and welcoming statement while also affirming its identity as a "church where all are welcome."

The result is an energetic heart that grounds and wraps around a cross, symbolizing an active church community, God's loving embrace, and Christ at the foundation of our faith.

Over the next several weeks, you will start to see this logo appear in places connected to Chapel Hill, including a new digital sign in front of the church. Take a drive by the church and check it out.

A Portage Chapel Hill COVID-19 Update

Sisters and Brothers in Christ,

I continue to pray for you and your health in this unprecedented time. As the messages of governmental leaders have not always been consistent or clear, I intend to continue to lead Portage Chapel Hill in this time with best practices as guided by both science and the faith tradition we share.

The science is clear that in this time we honor each other best by doing all the stuff we have been hearing about since February: wash hands for 20 seconds, use hand sanitizer, stay socially distanced (at least 6 feet apart), don't touch your face or other people, enjoy the outdoors but use the same standards, and wear a mask. Last Sunday we tested our readiness to be together in the sanctuary for worship. 11 youth confirmands, their parents and siblings, the worship team and staff, plus one couple who simply saw the cars in the parking lot and came in to worship were the live congregation, while the virtual community participated in the livestream worship on Facebook. It went smoothly! Everyone was greeted at the door. Temperatures were taken and hands sanitized. Everyone wore a mask (masks are available for those who forget). You can expect to see the same moving forward. Hand sanitizer is EVERYWHERE. No bulletins will be handed out, no Friendship Folders or Offering Baskets will be passed. The sanctuary space is set up so that there are lots of individual seats at least 6' from others, plus "family groups" of chairs for folks who have been living together in this COVID time.

I so want to be in physical worship with you all. But my bottom-line message right now is that we need the sanctuary to be occupied by physically healthy people, folks with the LOWEST risk should they contract COVID-19. Stay home if you are dealing with any kind of immune deficiency, if you are "aged", if you have young kids (there is no childcare or Sunday School right now), or if you are just not sure you are ready to be in shared interior space with other folks. We will be prepared for seating for around 70 people in the sanctuary and another 20 or so "overflow" in the lobby. Worship is designed now to maximize the livestreaming experience, as I believe that getting back to what we once knew as "normal" is still a long way away. I also know that livestreaming will be a regular ministry of Chapel Hill even after something like "normal" re-emerges.

Even as science directs us in how best to take care of our physical selves in this time, I encourage you to take advantage of other builders of spiritual, psychological, and social strength offered online by Chapel Hill and other progressive Christian resources. In these often-confusing, always stressful times we need to find more ways to keep ourselves connected to Jesus, the rock of our faith.

Be safe, be well, be blessed~

Pastor Barry
